INTRODUCTION AND PROCESS

PLAN AND POLICY DEVELOPMENT

OVERVIEW

The current Action Plan is a live document owned by the Cardigan Bay and Ynys Enlli to the Great Orme Coastal Group. The intent is to continue the partnership approach which was adopted to develop the SMP. The current Action Plan will be regularly monitored by the Coastal Group and updated as required. The Action Plan will be held on the West of Wales SMP website alongside the other SMP documents, and any updates will be published in place of the current Action Plan as required. A summary of actions developed at present within the action plan are provided in the following sheets derived from the database.
